Read Me_CERES4.50.36_Allocation Journal creates blank Agency Order (Ceres4.50.36)

Service Request or Support:

Issue addressed: When using the Create Orders process on the Allocation Journal, if the Quantity to Allocate is zero for all lines for an Agency, the Create Orders process creates an Agency Order Header with no lines.

Type	ID	Name
Report	14012315	Create Orders From Allocations

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by updating the Create Orders process to only create an Agency Order when there are lines for the Agency with a non-zero Quantity to Allocate in the Allocation Journal.
