

Read Me CERES4.50.44 Grant Calc Method Delete Issue (Ceres4.50.44)

Service Request or Support:

Issue addressed: Currently when deleting a Grant Calc Method from a Grant, the Grant Calc Method Lines for other Grant Calc Methods attached to the Grant are also deleted

Type	ID	Name
Table	14012275	Grant Calc Method

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by updating the delete function to include the Grant Calc Method "Effective Date" in the delete criteria so only the Grant Calc Method Lines associated with the Grant Calc Method being deleted are removed.
