Read Me_CERES4.50.59_Validate of Default Ship-to for Permit Web Order Agencies (Ceres4.50.59)

Service Request or Support:

Issue addressed: In Ceres 4.5 a Default Ship-to Code is no longer required for Agency Express Agencies (Permit Web Order = Yes). When attempting to remove a Default Ship-to Code on an Agency Express Agency, the user receives the following error:

"Default Ship-to Code must have a value in Agency: No.=XXXXX. It cannot be zero or empty. (Select Refresh to discard errors)"

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by removing the requirement that an Agency Express Agency must have a Default Ship-to Code.
