

Read Me Ceres4.51.34 Donation CM Report Preview Displays Red Data Line (Ceres4.51.34)

Issue addressed: When using Print Preview on a Posted Donation Credit Memo for report 14012486, a red data line is present above the total line on preview that is not present when printing the report to PDF or a printer.

Objects Affected:

Type	ID	Name
Report	14012486	Donation Credit Memo

This release does not present a change in system usage methodology.

Resolution: With this release, Ceres has been enhanced to address the reported issues by setting the line property to "hide" for the applicable line.
