

Read Me CERES4.51.50 Lookup Pallet and Item for Invalid No. (Ceres4.51.50)

Service Request or Support: N/A

Issue addressed:

1. When a non-existent Item number is provided for the ADCS Item Lookup function, the message "Invalid Item" is presented. However, an arbitrary Item's information is displayed.
2. When a non-existent Pallet number is provided for the ADC Pallet Lookup function, the message "Invalid Pallet" is presented. However, an arbitrary Pallet's information is displayed.

Type	ID	Name
Codeunit	14012282	Miniform Lookup Item
Codeunit	14012288	Miniform Search Pallet

This release does not present a change in system usage methodology.

Resolution: Ceres was enhanced to address the reported issue by omitting the presentation of an arbitrary Item's or Pallet's information. The display will still provide the invalid item/pallet message.
